

2018 Embryo Transfer

Q 0438 188 834

AHW F107

Adrossan Honour

Description

H17 has been a quality producer of calves under the Esslemont Angus stud. Purchased in early 2016 "Hippy" with D3 were the primary donors in the 2016 program. With many sires viewed, Pathfinder was the standout. With strong maternal traits and the curve bending of Genesis the projected progeny are at 152 ABI.

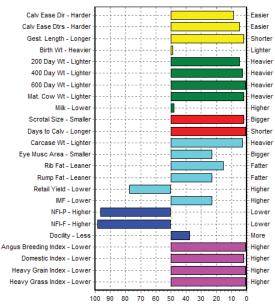

There are 6 donor cows currently with this match.

Breed Plan
